its role in nature and its
appearances in myth and legend
Elusive, ethereal, and
evocative--the hare permeates our
consciousness like no other
creature. Despite facing ever-
increasing environmental
pressures, it still retains its ability

This is a new, compact A5 edition of Jackie Morris's collection of short stories, *The Quiet Music of Gently Falling Snow*. A collection of twelve illustrated folk tales, or lullabies for grown-ups, set in a distant world of music, snow and magic. The stories are based

around a series of musically-themed illustrations first created by Jackie for Help Musicians UK.

This book is a companion to *The Unwinding*. It contains within images that tell stories, but it reads like a silent film. Each of the

write, to paint dreams and stories,
thoughts and verse, in new worlds,
wherever your pen may guide you.
