The availability of our services is heavily dependent on Konica Minolta's own field service team. We currently have a slightly reduced number of engineers working across Europe. These engineers ensure the maintenance of products and execution of services. Since our workforce travels from client to client, our service model currently poses a potential risk for our clients as well as our ...

For bizhub multifunction devices, lift the document feeder and look through the large scanning glass. The serial number is on a sticker with the Konica Minolta 1300 phone number. Click to see image. For bizhub printers, if the device does not have a scanner section, the serial number will be on the rear or side near the power cable.
