We are all genetically predisposed ... This can impair how you put yourself out in the world, making you less confident and assertive. This can lead to poor job performance and lost opportunities.

Why are so many people joining cheerleading every year? People are naturally drawn to this great sport and Michael Bachmann can tell you why. Michael cheers on the Harvard University Cheerleading team, and has been since his freshman year. He provides you a background on the sport and describes all of the good stuff that's happening with it! Most important, the book teaches you about the confidence, trust, and leadership that are developed through cheerleading. Each chapter offers a glimpse of Michael's life as a cheerleader and addresses strategies on how to do well in school to prepare for college and beyond. Targeted to both those already in the cheer zone and anyone considering joining in, this book is a must read.

Leadership coaching has become vitally important to today's most successful businesses. The Art and Practice of Leadership Coaching is a landmark resource that presents a variety of perspectives and best practices from today's top executive coaches. It provides valuable guidance on exactly what the best coaches are now doing to get the most out of leaders, for now and into the future. Revealing core philosophies, critical capabilities, and the secrets of coaching success, this one-of-a-kind guide includes essays from fifty top coaches, including Ken Blanchard and Frances Hesselbein. Packed with cutting-edge ideas and proven best practices, this is the definitive source of information for anyone dealing with coaching.

The Coming of Cassidy by Clarence E. Mulford Buck Peters put everything he owned into the Bar-20 and thought he could make a go of it. It looked pretty good too, until he fell in with that gang of renegade buffalo hunters. There were after his spread, his cattle, his life. And they swore to let nothing stand in their way. And then they met a cowhand named Cassidy... Bar-20 by Clarence E. Mulford Cassidy could fan a gun like a Billy the Kid. Six rounds in three seconds was his slowest time. No one in the state of Texas could beat him. That was, until he met Slim Travennes, head of the Sandy Creek Vigilante Committee. Slim was snake-fast. "Death with a little skin wrapped around it," was the way the tinhorn in Waco described him. No man could go up against him and live. Hoppy could stand or die. He had no other choice.
