A book of differential comparisons. The book shows how one might use remedy comparisons in one's daily practice. The remedies are arranged alphabetically.

Dr Chauhan has taken a lot of pains and given considerable thinking to produce this book. The book contains pictures to express the symptoms of the disease to enable the homeopath to understand the same. The pictures have been drawn well. If the students see the pictures, they will not miss the symptom of the ailment and in homeopathy the understanding of the ailment and in homeopathy the

This comprehensive textbook provides a detailed, practical and thorough basis for the understanding and application of the homeopathic process. Drawing on the experience and knowledge of a wealth of contributors, the book offers the foundations for the safe and broadest practice of modern homeopathy. Divided into 6 sections, this book takes the understanding of homeopathy from basic principles to the treatment of acute and chronic illnesses, the first prescription, and difficult, confused and hidden cases. Each section progresses through five themes broadly divided into philosophy, materia medica, case taking, case analyses and case management. Each theme is woven together

through the text and, section by section, builds into an essential study guide for the homeopathic student. It provides opportunities for reflection, and invites all practitioners to engage in their own personal and professional development.

Books of therapeutics are available in the market but no book is available with applied materia medica as per system-wise therapeutics. This book contains medicines covering therapeutic and applied aspects arranged in a systemised manner. The medicines affecting various systems are very vast and this covers the syllabus of BHMS and PG courses in Homoeopathy. Here the author with his deep knowledge of the subject of Materia Medica & Homoeopathic Therapeutics has arranged the book systematically and individually with separate commentary on General Homoeopathic Therapeutics to make it simple and easily
