Rugged highlanders and beautiful lasses abound in A Fistful of Scots, the complete stunning Scottish historical romance series from New York Times bestselling author Suzanne Enoch, now in an amazingly low-priced ebook bundle. The Devil Wears Kilts On a mission to rescue his runaway sister from the lure of London flowery compliments and a useless lot of satin-clad scalawags disguised by their snooty titles, Ranulf MacLawry, Marquis of Glengask, has roared into British society like a storm across the Scottish Highlands. But he's about to find out that satin has its appeal, especially when it covers the curves of Miss Lady Charlotte Hanover, whose tongue is as sharp as her skin is soft... Rogue with a Brogue Stuck in a Mayfair ballroom thanks to his lovestruck brother, Highlander Arran MacLawry wants nothing but a bit of distraction from an arranged betrothal-and a clever auburn-haired lass in a vixen's mask promises just that...until he discovers that she's the granddaughter of the Campbell, chief of clan MacLawry's longtime rival. Despite their families' grudging truce, falling for fiery Mary Campbell is a notion too outlandish even for this Highlander...but yet he can't get the bewitching lass out of his mind... Mad, Bad, and Dangerous in Plaid High-spirited Rowena MacLawry has returned cometo the Highlands after a spectacularly successful debut Season in London, and has made it painfully clear that she's outgrown her girlhood obsession with Lachlan MacTier. That's just fine with him, as he never had any intention of marrying the lass anyway! Yet how can he ignore the fact that the once rough and tumble Winnie has become a very fashionable-and incredibly desirable-young woman... Some Like It Scot When a mad lass in

trousers shoots at him, Munro "Bear" MacLawry isn't sure what impresses him more—the girl's sure aim or her irresistibly tempting curves. Catriona MacColl has fled to the Highlands with her half-sister to escape an unwanted wedding, and wants no part of him, nor any man. But he can't abandon the flame-haired, sharp-tongued wildcat now that he's discovered her—not when she fits so perfectly in his arms...

A collection of four Christmas Regency romances includes Suzanne Enoch's "One hot Scot," in which Duncan Lenox comes to the aid of an English beauty when they are stranded together during a winter storm.

Lonesome Lily turned Scandalous Siren Miss Lillian Hargrove has lived much of her life alone in a gilded cage, longing for love and companionship. When an artist offers her pretty promises and begs her to pose for a scandalous portrait, Lily doesn't hesitate . . . until the lying libertine leaves her in disgrace. With the painting now public, Lily has no choice but to turn to the one man who might save her from ruin. Highland Devil turned Halfhearted Duke The Duke of Warnick loathes all things English, none more so than the aristocracy. It does not matter that the imposing Scotsman has inherited one of the most venerable dukedoms in Britain—he wants nothing to do with it, especially when he discovers that the unwanted title comes with a troublesome ward, one who is far too old and far too beautiful to be his problem. Tartan Comes to Town Warnick arrives in London with a single goal: get the chit married and see her become someone else's problem, then return to a normal, quiet life in Scotland. It's the perfect plan, until Lily declares she'll only marry for love . . . and the Scot finds that there is one thing in England he likes far too much . . .

Scotsman Ranulf MacLawry descends on the ballrooms of London in order to rescue his sister from a society he holds in contempt, only to fall for sharp-tongued Lady Charlotte Hanover, who believes that she prefers docile men.
